**THE FOLLOWING ARE OCCUPANTS OF PREMISES RATED
IN THE EAST WARD OF THE CITY IN 1900**

The figures at the end of each line are the Assessment Numbers as entered in the Rate Book of the EAST ward of the Goulburn City Council. A number of the streets mentioned in the text are no longer in evidence; some were duplicated names used in other parts of the city; some were deemed to be superfluous; others were absorbed into other developments such as the Golf Club or the Sale yards etc.
