## *Ann Smith Inverary Convict Index.*

---

Ann Smith (1931 – 2016) was born in Bungonia and had a keen interest in the history of the area. She compiled these records mainly from the convict records at the Archives Office of NSW (State Records). Other people contributed to the index.

Inverary (near Bungonia) was a very early area of New South Wales and was the Police District that extended as far as Braidwood, Goulburn and surrounding areas.

The entries in were recorded on “Convict Data Sheets”. Which have been put together in five large folders:

Volume 1 covers A to C

Volume 2 covers D to H

Volume 3 covers I to M

Volume 4 covers N to R

Volume 5 covers S to Z

This Index has been compiled by Researcher Tom Bryant from Ann Smith’s [Convicts of the Bungonia Region](#). The index is set out in 7 columns:

Columns 1 and 2 are for Surname and other (given) names.

Columns 3 and 4 are the ship that the convict arrived on and the year of arrival.

Column 5 is the age of the convict on arrival or their approximate date of birth.

Column 6 is Remarks and contains the date of obtaining a Ticket of Leave, Conditional Pardon, Absolute Pardon or Certificate of Freedom. It can list who the convict was assigned to and sometimes who they married.

Tickets of Leave allowed the convict to seek employment for himself as long as he remained in his district.

Conditional Pardon meant that they were in effect free but had to remain in the colony.

An Absolute Pardon meant that they were free and could return to their homeland.

A Certificate of Freedom was given to a convict at the expiration of their sentence.

Numerous convicts were listed with several spellings of their name and these have been entered under all variations. The main entry contains all the information and the alternative spell will be listed as “See.....” which will take you back to the main entry. If a convict is listed as having married the spouse will be listed as “See.....” which takes you back to the main entry where there is usually a marriage certificate.

Number of entries in the index approx.. 1130

Number of convicts listed approx.. 750

Earliest convict arrival 1790 (James Ingram)

Latest convict Arrival 1840 (several) Convict arrivals to New South Wales ceased in 1842)

Youngest convict 12 (John Johnson)

Oldest convict 71 (Henry High (senior))
